CLASS PROPHECY

When I got back from my army career I came back to Troy to find my old schoolmates, but everything had changed. TIM JONES is the 50¢ a game manager for the Trezvant Toad-stranglers, a Pro Football Team if you didn't know. BETH KERSEY KENDALL is in court suing her husband Andy the Hollywood Personality for 50 million and everything he has in a divorce case. Judge RANDALL COLEMAN is presiding over the case. It looks like the case will go in Beth's favor since there are rumors she will become the next Mrs. Randall Coleman. DENISE PARSONS was in the Oscar McGooney Circus as a flea trainer and SHIRLEY BROWN is a tightrope walker. BART ORR and BARRY REEVES are x-rated film makers. Bart supervises all filming while Barry acts in many scenes. JOHN LONG is a patient in a mental institution which made pretzels. MIKE BROOKS and RALPH MOORE owns a women's beautifier complex. Ralph owns the hair dressing section while Mike operates a wig shoppe. GENE CHRISTIAN and ROGER SAMPSON were about to clash in the heavyweight boxing championship of the world. The winner gets the hand of Miss World CAROL FLOWERS in unholy matrimony. CHARLES RING was just voted 2nd most civilized man in America. When the announcement was given he, with a loud roar promptly cracked the Judges heads. SUSIE RAMBO and BRENDA OWENS are pro wrestlers. Their tag team is the Jelly Bellies. ANITRA LIVINGSTON and JAMES ATKINS are starring in the latest production of Romeo and Juliet.

JANA GRAY now models Big Mama Panty Hose. KENNETH KNIGHT advertises STP oil for hair. He swears "It really makes a difference." CHUCK BARNES has changed his name to Oscar Madison and is now rooming with Felix Unger alias JACKIE FLOWERS. Last week this odd couple was picked up in Mexico for smuggling pot. Their wives MITZI PARISH Madison and JAN FITZ Unger bailed them out when they discovered they were flower pots. Troy is really on the map now since KATHY DOWNY took over in Hollywood for the aging Raquel Welch. When last seen RICHARD CROUCH was buying a poster of her in the Colony shop and heading for her apartment.

MARY GALLAHER has posed for the centerfold of National Geographic while her husband OWEN SAXON has posed for Cosmopolitan. DAVID HART and LAUREN PARDUE have moved to Africa and have turned into Tarzan and Jane. When investigator BO McEWEN tried to talk to Tarzan he punched him in the nose, swept Jane off her feet and swung into the Jungle. BOBBY and RICKY BARNETT bought Jim's pool hall and were doing OK, even though DENNIS BELT is their only steady customer. DONNA RUDD is an active woman's libber. JOHN PICKARD is her assistant. KEITH CHAPPELL is also famous advertising skinny dip. PAT WILLIAMS had taken over DOROTHY OLSONS job on WPSD Television. TONY HUNT and KENNY SCOTT are off on a private eye case in the South Pacific. They are investigating the whereabouts of MARCIA ROGERS who was lost in an uninhabited cave range. KATHY CHANDLER and VIRGINIA BUTLER are go-go girls in the Hullabaloo Club. GAIL PARRISH is the editor of a womens fashion magazine. JILL KING finally landed JAMES CRIGGER. At last count there were four little Criggers.

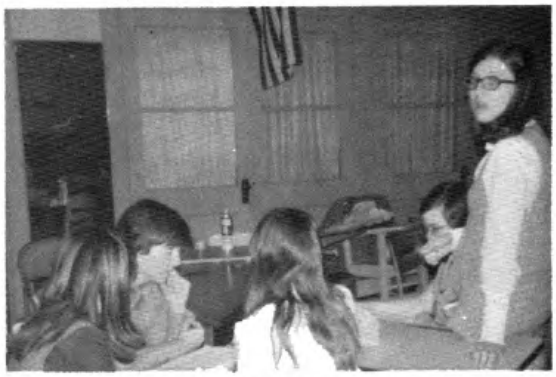
We've come a long way together!

Are they really working?

Cheers?



What now?

This is your 1973 Trojan. We of the staff express our appreciation for your cooperation and patience in making this book possible.

We hope that the students, faculty, parents, and friends who receive this book will find in it in future years a door to memories of Troy Junior High.

Is that what it says?

Repeat that please.

When are we going to get through?

FOR THE BETTERMENT
OF HUMANITY
